

How it works

St. George's School of English offers accommodation to international students through host families. The lessons take place at St. George's school in the town centre (opposite Worthing museum, next to the main post office). Years on students still remember their friendly host parents and their welcoming arms, although they might have forgotten about the other aspects of their stay.

We appreciate that in order for our host families to provide an excellent service they need to be happy with the service they receive from us. This is why our host families are our priority and we are always available to provide support as well as a friendly chat whenever needed. Our emergency number ensures that host families can contact us out of office hours at all times.

Our priority is to ensure that our host families enjoy their students' stay as much as the students themselves.

What our host families think of us:

"...easy to work with, always friendly, ready to help, easy to talk to, approachable, professional and always here for me..."

"We love our jobs and we hope it shows. "

- St. George's Team -

How we work

St. George's School of English is part of worthingstudents.com, a merger of several language stay and accommodation organisers in Worthing. In 2011 worthingstudents.com welcomed nearly 25,000 students.

As part of our alliance we hold regular meetings to ensure we utilise all resources available to us to their best potential and attract more clients to Worthing.

We appreciate that some host families wish to work with more than one organiser. We encourage host families to communicate with us in order to

avoid double bookings or misunderstandings, which might leave them without any students.

Most of our bookings happen well in advance so at the end of each year we are ready to book our host families for the forthcoming year. As we receive new group and individual bookings almost every week we keep our host families busy and need their full support especially during our peak times.

We always contact our host families to discuss the bookings and address any of their questions or concerns before we confirm the details by email or post.

Bookings

We have 3 different types of students:

Mini stays – students stay for 2 to 5 nights, do not stay during the weekend, always placed in twins / triples, students are usually aged between 12 – 18, no lessons, students need to be dropped off and picked up at the meeting point every day, times to suit your family life (usual drop off in the morning between 7.30 – 8.00, usual pick up between 18.00 – 20.00)

Regular stays – students stay for 4 to 14 nights, usually from weekend to weekend, always placed in twins / triples, unlimited age, lessons in the morning, some have social programme and excursions, walk to school, within walking distance to the town centre

Summer stays – students stay for 7 to 28 nights, from weekend to weekend, always placed in twins / triples or individuals paired up with a student of another nationality, unlimited age, lessons in the morning, social programme in the free time

Individual students – students stay for 7 to 28 nights, from weekend to weekend, in twins / triples or individuals paired up with a student of another nationality, unlimited age, lessons in the morning, some have social programme in the free time.

Accommodation

We appreciate that host families lead a busy family life and we strive to make your job as a host family as easy and enjoyable as possible.

We make every effort to establish a good honest relationship with our host families. We have been lucky to enjoy a long working relationship with many who have been hosting our students for a number of years now. From our experience students always enjoy their stay with families if they are welcomed to a family home where they can spend time with the family in a comfortable clean setting. Positive feedbacks from students and leaders ensure continuous bookings of students for host families.

We ask our host families to provide 3 meals per day: - a hearty breakfast to give our students a good start for a busy day, a substantial packed lunch of at least 5 items to keep them going and a warm dinner in the evening.

We would like our host families to treat our students as part of their family and take the opportunity to enjoy the exchange of cultural experiences.

☺ You are always welcome to pop in for a cup of tea and a chat ☺
